

Lesson Title: Greek and Roman Architecture- Part three

Lesson Components	Description
Virginia Standards of Learning (VSOL)	3.1 The student will explain how the contributions of ancient Greece and Rome have influenced the present world in terms of architecture, government (direct and representative democracy), and sports.
Objective	<ul style="list-style-type: none">• To help students learn about the ancient Greek and Roman architecture and how their architecture influenced modern architecture.
Assessment/Monitoring	<ul style="list-style-type: none">• Informal- the students will have the opportunity to create their own columns.
Procedures	<ol style="list-style-type: none">1. Choose an order they would like to recreate on the larger sheet of paper.2. Create the order in pencil and trace in a water soluble marker.3. Paint over the marker with water. (This will make the marker line spread and look antique.)4. Recreate the same order again using a second sheet of paper.5. Trace over with marker and paint over again.6. Cut both orders out of the page with the scissors.7. Fold the second drawing in half and open it up again.8. Glue the folded order to the first drawing of the order.9. Display on a wall for all to see!
Materials/Equipment/Preparation	<ul style="list-style-type: none">• Brush and cup of water• Water soluble markers• Glue• Scissors• Glue gun for the teacher
